Response Rate	5/24 (20.83%)

• Really good professor and really nice and listens and gives good feedback.

• Mr. Healy was very personal and presented the material very well.

• I like the construct of the class, it is very organized and makes things the least complicated they can be. The work is reasonable to demonstrate understanding, growth, and skill. isn't BS english work like high school. Your personal replies to everything are helpful.

• Mr. Healy was always willing to go above and beyond to help communicate to his students. He was always willing to help out, especially when kids were too shy to answer in class.

• I liked how open the classroom was. Mr. Healy was a great professor. He really got to know his students.

• The was Mr. Healy grades was unclear and was confusing.

• Somethings that could've been improved would have been including more examples on how the composing process works.
